THE CATHOLIC UNIVERSITY OF AMERICA
Department of Mechanical Engineering

Tenure Track Faculty Position

The Department of Mechanical Engineering of The Catholic University of America invites applications for a tenure track faculty position at the Assistant Professor level starting September 2013. Qualified candidates must possess a strong commitment to undergraduate and graduate education, and be able to demonstrate evidence of effective teaching and communication skills. Successful candidates will also need to demonstrate a strong potential to develop an externally funded research program and to establish a good record of scholarly publication. Candidates must have earned a Ph.D. in Mechanical Engineering with a strong background in one or more traditional subareas of mechanical engineering. Areas of particular interest to the department include robotics, smart materials, energy and the environment, and fluid mechanics.

The Catholic University of America is located in Washington D.C. and is comprised of 12 schools offering a wide variety of undergraduate, graduate, and professional degrees. The Department of Mechanical Engineering offers BME (ABET accredited), MSE, and PhD programs, and enrolls approximately 100 undergraduates and 60 graduate students. For more information about the department please visit http://mechanical.cua.edu.

Applications will be reviewed as they are received and will be accepted until the position is filled. Candidates should upload a cover letter with a detailed curriculum vitae, a clear statement of specific teaching and research interests, and the names and contact information of at least three references to http://engineering.cua.edu/facultyapp/mechanical

Further inquiries about this position should be sent to Faculty Search Committee, Department of Mechanical Engineering, The Catholic University of America, 620 Michigan Avenue, N.E., Washington, DC  20064, or contact the department Administrative Assistant, Mrs. Ruth Hicks, at hicks@cua.edu or 202-319-5170.

The Catholic University of America is the national university of the Catholic Church and was founded as a center of research and scholarship. We seek candidates who, regardless of their religious affiliation, understand and will make a significant contribution to the university’s mission and goals. The Catholic University of America is an equal opportunity/affirmative action employer.
